

FOR IMMEDIATE RELEASE

MAPSYS Inc. Acquires IT Solutions Group to Enhance Technology Service Offerings and Expand National Presence

Columbus, OH – November 19, 2024 – MAPSYS Inc., a leading provider of innovative IT solutions, today announced the acquisition of IT Solutions Group, a well-respected technology services provider based in Chicago, Illinois. This strategic acquisition marks a significant milestone in MAPSYS's ongoing mission to expand its reach and enhance its offerings in infrastructure, data management, cybersecurity, cloud solutions, and IT support across diverse industries.

The acquisition of IT Solutions Group will allow MAPSYS to strengthen its presence in the IBM i universe, providing clients with high-availability solutions for the IBM i and enhanced access to high-quality technology solutions. This union of expertise and resources will ensure a seamless integration of IT Solutions Group's clients into the MAPSYS ecosystem, offering expanded capabilities, personalized service, and streamlined project delivery.

*"We are thrilled to welcome staff and clients of IT Solutions Group to the MAPSYS family," said **Fred Shafer, President of MAPSYS Inc.** "This acquisition aligns with our vision of becoming the go-to partner for organizations looking to harness the full power of technology to drive growth and secure their digital landscape. IT Solutions Group's strong reputation and talented team will be a valuable addition to our growing network."*

Enhanced Service Offerings and Greater Market Reach

MAPSYS, a trusted provider with a national footprint, is known for its comprehensive suite of technology solutions, including cloud architecture, data strategy, digital transformation, and cybersecurity. The addition of IT Solutions Group's specialized team and client portfolio enables MAPSYS to better meet the needs of companies in Chicago and across the Midwest.

The integration process is expected to be smooth, with MAPSYS and IT Solutions Group committed to maintaining client service continuity. Current clients of IT Solutions Group will continue to receive the quality of service they are accustomed to, while gaining access to a broader range of IT services and solutions that MAPSYS provides.

Driving Innovation and Client Success

Through this acquisition, MAPSYS continues its commitment to expanding its team of IT professionals and to leading with innovation. IT Solutions Group's expertise in managed IT services and consulting will complement MAPSYS's established areas of specialization, including its unique focus on cloud solutions, AI-driven data analytics, and enterprise resource planning (ERP) solutions.

This acquisition demonstrates MAPSYS's commitment to delivering exceptional value to its clients and adapting to their evolving technology needs. The combined strengths of MAPSYS and IT Solutions Group will further empower businesses to navigate digital transformation and drive long-term success.
